General overview of the event

8 teachers of Belarussian universities took part in the training on the European Higher Education Area principles and tools for the development of Master in line with Bologna System. During the training, teachers from Belarussian universities listened to the reports of specialists from the University of Bologna, Italy, on the topics of admission procedures for Master's Degrees, the roles of the Degree program manager and directors, quality assurance and the European Standard Guidelines of degree programs.

Co-funded by the
Erasmus+ Programme
of the European Union

Master Course on Energy Engineering

UNIBO Data Warehouse
(data related to the last academic year: feedback sheets of each Course)

STUDENTS FEEDBACK

NEGATIVE FEEDBACK
For some Course of 1 Year, a series of pre-requisites are needed (problems for students from other Universities)

There exist Courses «too heavy» (in terms of quantity of contents) and «too theoretical»

Traning material is not sufficient for 4 Courses and 1 Lab

2 Courses are considered «out of interest»

1 Teacher evidenced big problems in terms of «clarity of presentation»
